

Wilderness and Travel Medicine, LLC

Faculty not to function as trip physician

To: all participants in Wilderness and Travel Medicine, LLC Continuing Medical Education Programs / Conferences / Venues

Please note that each faculty member for these educational meetings has a function to serve as a teacher, lecturer, and educator for the continuing medical education program exclusively.

Wilderness and Travel Medicine **faculty do not function or serve as the trip physician.** The faculty do **not** serve or work on these educational conferences / trips to render medical services to the participants. They also do **not** serve or work on these educational conferences / trips to give advice regarding diagnosis, care, or any other aspect of medical treatment.

For information on how professional medical care and assistance can be obtained on these educational conferences / trips, please contact Bio Bio Expeditions at 800-246-7238 or by email.

I have read this document and fully understand that the Wilderness and Travel Medicine, LLC faculty do not serve in any capacity as the trip physician and that the faculty are not responsible for my medical care (or the care of my spouse or guest or family) in any way.
